LinkLock™

LinkLock Options

Chain only . Chain w/ Ring . Chain w/ U-lock

LinkLock provides locking versatility and security in your locking device. Try taking your average bolt cutters to this hexagonal, grade 80, hardened chain. LinkLock can be purchased as a simple length of covered chain. For a little extra you can have an O-ring attached to one end. And for those looking for the locking device as well, we offer an integrated micro U-lock.
